WRECK ON HIGHWAY 30

A Lee County High School teacher was slightly injured Tuesday morning when her Dodge Caravan went off KY 30 in Owsley County, flipped and landed upside down in a creek.

According to Kentucky State Police Trooper Brent Lynch, Vilena Melton, 37 of London, was traveling toward Beattyville when her vehicle went off the road near Travellers Rest, tore out some guardrail, which ripped off a wheel, and then flipped. Melton received a head laceration, and was transported to the Kentucky River Medical Center in Jackson for treatment. She was released before 1 p. m. Melton's daughter, seven-year-old Madelyn, was a passenger in the vehicle, but was not injured.

SOCIAL SECURITY ANNOUNCES 1.7 % BENEFIT INCREASE FOR 2015

Monthly Social Security and Supplemental Security Income (SSI) benefits for nearly 64 million Americans will increase 1.7 percent in 2015, the Social Security Administration announced today.

The 1.7 percent cost-of-living adjustment (COLA) will begin with benefits that more than 58 million Social Security beneficiaries receive in January 2015. Increased payments to more than 8 million SSI beneficiaries will begin on December 31, 2014. The Social Security Act ties the annual COLA to the increase in the Consumer Price Index as determined by the Department of Labor's Bureau of Labor Statistics.

Some other changes that take effect in January of each year are based on the increase in average wages. Based on that increase, the maximum amount of earnings subject to the Social Security tax (taxable maximum) will increase to $118,500 from $117,000. Of the estimated 168 million

KY 847 in Owsley County to be closed Saturday, Nov. 1

JACKSON, KY – In order to replace a drainage pipe, the Kentucky Department of Highways plans to close KY 847 in Owsley County on Saturday, Nov. 1. The road will be closed at milepoint 0.5, near Travellers Rest. The project will begin around 8 a.m. and will continue until approximately 3 p.m. During this time, the road will be closed to all through traffic.

No marked detour will be posted, but drivers can use the northern end of KY 847, or a combination of KY 1938 or KY 2025 with KY 11 as a detour route. A local detour route using county roads is also available. Motorists should plan their trips accordingly.

In case of inclement weather, the closure will be postponed until another suitable date.

OWSLEY COUNTY HOST 6th ANNUAL 2S EVENT

On Sunday, October 19th, 2014, Owsley County hosted its 6th Annual 2S Event. Approximately 140 individuals accepted the challenge to come out and play with us.

2S is a statewide event that encourages all forms of physical activity within the local community and is designed to get Kentuckians moving. People across the state joined together to show the nation that Kentucky is serious about improving its residents' health and promoting physical activity. Communities will simultaneously close roadways and plan events so that residents can bike, walk, play and participate in fun and healthy activities.

Owsley County's 2S Event was held at the Owsley County Park from 2:00 p.m.-5:00 p.m. The following events or activities were available: Volleyball, Walking Relay, 3 legged race, hula hoop contest, fastest kid in town contest, sack races, basketball, Bicycle/Tricycle Parade & Rodeo, and Corn hole.

Congratulations to Warren's Chapel U.M. Church for placing 1st in the volleyball tournament! Runner-ups were members of the Booneville United Methodist Church. Congratulations also to all of our first place winner of the events!! All received ribbons sponsored by Farmer's State Bank.

This year we changed the way we do our door prizes. The more you participated, the more tickets you received. Once you received your ticket, you were allowed to place your ticket in a particular prize bucket. For example, if you wanted to win the bicycle prize, you would place all your tickets in that bucket. At the end of the event, many door prizes were given out including volleyball sets, bicycle helmets, croquet, etc., but the grand prizes were a boy & girl bicycle sponsored by Booneville Discount Drugs & B + H Apothecary , 2 iPod Shuffles sponsored by Owsley County Drug Awareness Council and 2 scooters sponsored by Boonville Discount Drugs. Several groups and individuals were involved in the planning & coordination of this event including the following: Owsley County

TRAINING FOR NEW VOLUNTEERS NOVEMBER 8

Berea, Ky., 27 Oct 2014– Hospice Care Plus will host a training for new volunteers on Sat., Nov. 8, from 9am-4pm at Beattyville Community Christian Church in Beattyville.

Pre-registration is required. To register, contact Julie at 859-626-9292, 888-334-0009, or hospice@hospicecp.org.

The training prepares individuals to volunteer in a variety of roles with the organization, from answering phones or helping with special events to working directly with patients and families. Julie Hatfield, volunteer coordinator with Hospice Care Plus, says the training in Beattyville is open to anyone, but residents of Lee, Owsley and Jackson counties are especially encouraged to attend.

"Our patients and families do best when they have the support of a full hospice team," said Hatfield. "That includes not only our paid, professional staff, but also our trained volunteers. They can make a world of difference, both with our home patients and with our nursing home patients in Beattyville and Booneville."

Hatfield says the training includes topics from communication skills and spiritual care to grief and loss.

This training was scheduled after members of Beattyville Community Christian Church expressed interest in supporting hospice's work in the area. Eight members of the congregation have pre-registered. The church also agreed to host the training and to invite all members of the community to attend.

To learn more about the training, about volunteering with Hospice Care Plus, or to register for the Nov. 8 training, contact Hatfield at 859-626-9292, 888-334-0009, or hospice@hospicecp.org.

Hospice Care Plus is a non-profit organization and the provider of hospice care to residents of Estill, Jackson, Lee, Madison, Owsley and Rockcastle counties. The organization offers home hospice care, inpatient hospice care at the Compassionate Care Center, bereavement support and palliative care. Learn more at hospicecp.org.

RONNIE DEBORD

OWSLEY COUNTY JUDGE EXECUTIVE

As your Owsley County Judge Executive for the past four years, I have tried to be a proactive judge. I have tried to be available to ALL the people, ALL the time, not to just a select few. I have worked hard to secure funds needed to run our county, and it has not always been easy. State and federal grand funds have been diminished each year, but I have and will continue to search and apply for them as they become available.

To secure $900,000 in blacktopping funds (the largest amount received in a single calendar year), you cannot sit on the sidelines and watch the world go by. You have to be willing to go to Frankfort to see the governor, to see the transportation cabinet and local government officials, to make the calls and do the leg work necessary to obtain the objective. **And, I have done just that!** (If anyone would like to see documentation, please feel free to stop by the courthouse and I will be happy to share this information with you.)

For the past year, I have been working on securing a new health department for our county. We hope to either remodel the current building or possibly relocate it to a larger facility, with more parking. I am also happy to announce that Kay and Kay Contracting was low bidder for the new Wolfe Creek bridge project. Their bid was below the engineering estimate bid and we are awaiting state approval. This has been a long process and we are anxious for construction to begin.

An effective county judge should be willing to get his hands dirty, when necessary. He should be willing to take a chainsaw and drive to Island City or Upper Buffalo at 3:00 AM to remove a tree from the road, himself. He should be willing to climb under the hood of a garbage truck on the Hatton Hollow hill to make necessary repairs, or be willing to grab a shovel and dig a ditch. **And, I have done just that!** I have my CDL (Commercial Driver's License); I am a certified mechanic, Road Scholar and Road Master. I am a licensed electrician and electrical contractor. Whatever needs to be done, I am willing to lend a hand. No job is too large or too small.

Our county roads, bridges and culverts are a top priority and I have traveled these roads (and the roads to our county cemeteries) on a regular basis and I have made endless calls and visits to Frankfort to lobby for new bridges and roads. I am very fortunate to have an exceptional county road crew and we work hard to make all necessary repairs in a timely manner. We work closely with the funeral homes to make sure that roads to cemeteries are accessible before each funeral. The needs of our citizens always come first.

An effective county judge should be "a people person". I feel that it is important to work closely and to work well with school officials, city, county and state officials, all offices in the courthouse, the ministerial association, and the public for a better Owsley County. The magistrates and I have worked hard these past four years to address the concerns of our citizens and solve the problems that have been presented to us in a way that is fair to all parties involved, while following the guidelines and laws that govern this office. No one is capable of solving all problems, but we have done and continue to do our best.

Aside from being Owsley County Judge Executive, I am a Christian, a son, a husband, a father, a grandfather and a friend. I am a member of the Cow Creek Presbyterian Church, the Kentucky Judges Association, the Kentucky River Area Development, the Local and Regional Boards of Health, the Three Forks Regional Jail Board, the Bluegrass Chapter of the Red Cross, and the Owsley Extension Board. All of these life experiences have brought me to where I am today, with the education and knowledge necessary to continue to serve **all the people** of Owsley County.

I have appreciated the opportunity to serve as Owsley County Judge Executive these past four years and on November 4th, I would appreciate your continued support and your vote, as we work together to move Owsley County forward!

TIM CHANDLER FOR OWSLEY COUNTY SHERIFF

Hello, my name is Tim Chandler and I am the Republican candidate for the office of Owsley County Sheriff. I am the grandson of Clay "Doc" and Sarah Chandler and the son of the late Charlene and Jeff Chandler. The husband of Mary K. Chandler and the father of Amanda, Jesse, Desiree, Brandon and Conner Chandler. I began my career in 1993 in Law Enforcement as a deputy of the Hamilton County Sheriff's Department where I served 3 and a half years. It was then that I moved back to Owsley County and began my career here as an Owsley County Deputy of 1998. In 2001 I transferred to the City of Beattyville's Police Department serving the citizens of Beattyville for 11 years. During this time I worked as a Patrolman, Sergeant, Canine Officer and was then appointed as Chief of Police where I supervised approximately 6 other officers and held the position for 4 and a half years. I am currently employed by the City of Jackson as a Patrol Officer and have served in that position for over 2 years. I would like to share with you my certifications, as if elected would qualify me as the first Sheriff of Owsley County to be certified as a Law Enforcement Officer:

- OPOTA (Ohio Peace Officer Training Academy)
- DOCJT (Dept. of Criminal of Justice Training)
- NHTSA (National Highway Safety Traffic Administration)
- PTO (Police Training Officer)
- Along with continuing education of 40 hours every year.

Over the past few months a smear campaign has been launched against myself and my credibility and I would like to take this time to address those that have been brought to my attention

1. It has been said that I will harass your children.

This is a FALSE statement. I have no intentions of harassing anyone's children, as I would not want mine harassed in any way by law enforcement. My job as sheriff would be to lead, direct and assist all of our children as a leader of our community. I will always be a safe haven for your children, whenever they need me.

2. It has been said that I will bring a Kentucky State Trooper onto my staff to harass the citizens of the community.

This is a FALSE statement. I have never promised nor have I stated that I would employ a trooper to facilitate the issues within the community. As the sheriff of Owsley County that would be my responsibility and one that I assure you I am well qualified to do.

3. It has been said that I have been fired or made to leave my previous positions as a law enforcement officer.

This is a FALSE statement. All of my employment records will prove and attest to the fact that I have always proven myself exceptional in my duties as a police officer and never in my 20 years of employment as an officer have I ever been reprimanded.

The TRUTH is I have the experience and training to lead our community as the next Sheriff of Owsley County and if elected I will be the first Sheriff in the history of Owsley County to be a certified Law Enforcement Officer. If given the opportunity by you the voters of Owsley County I will promise to do and uphold the following:

- I will work 24 hours a day, 7 days a week and 365 days a year for the citizens of our community. Not just 8:00 am thru 4:00 pm Monday thru Friday.
- ALL calls will be answered and responded to immediately.
- I or my deputies will be reachable at ALL times and your calls WILL be answered.
- ALL calls, reports, investigations will be handled professionally and promptly at all times and NO ONE will receive special treatment as ALL individuals within the county will be treated equally.
- The UNCONTROLLED drug and theft problem that our community currently faces will STOP. As I will utilize my experience in drug enforcement and crime investigation to educate the community, enforce the law and work diligently with various organizations to seek appropriate rehabilitation for those who are addicted.
- I pledge to work closely with our school system and utilize programs to educate our children on the dangers of drug abuse and highway safety while building a trusting friendship with your children.
- I will open community meetings with the citizens of the community to discuss the issues in which concern them through out the year.
- I will NOT be a sheriff that sits in the office all day as I feel it is important to maintain continuous contact with the citizens of the community to address any and all problems which may arise.
- The collection and dispersal of taxes will be done in a timely proficient and professional manner.
- I will ensure that the courthouse and those of you which visit to conduct business feel safe at all times as I have listened and understood many of the frustrations that have been voiced. There are laws in place, which can and will be utilized in order to make the courthouse a safe environment for all of us. If elected you will see results not excuses.
- In the past I have assisted with and been successful in applying for and receiving grant funding for patrol cars, radios, computers, weapons and other items for our officers. If elected I will seek all available grants for the sheriff's department which help to improve the safety of our citizens.

If elected I will always remember that it was YOU the citizens of Owsley County who trusted not only me but my abilities to enforce the laws within the community. You will not hear me complain about long hours or sacrifices that I will make as it will be an honor to do so. Protecting the citizens of the county will be my top priority and I will prove it day after day. I will provide the community with a professional staff and the creation of a safe community will no longer just be a goal. It will be a REALITY for our children and ourselves. I will not only promise to combat crime, but also pledge to cut crime and eliminate the selling or manufacturing of drugs within the community by 90% within my first year.

I ask you to not only look at my 20 years of experience but also the fact I am a father, grandfather and husband who loves and wishes to protect his family just as you do yours. Due to the increasing drug influences and thefts, which have plagued our community, at this time the TRUE reality is that none of us are safe and will not be unless YOU, the voters, take a stand. How many more of our loved ones must we lose to the GROWING drug epidemic? How many times must our citizens be robbed and their merchandise NEVER recovered? It must STOP but it will not STOP unless a change is made by electing a new Sheriff. Therefore I humbly ask for your votes as the NEW Sheriff of Owsley County.

Thank you for your support, Tim Chandler.

Magistrate District 2

I was born, raised and have lived my entire life in District 2 of Owsley County. I have raised 6 children and a stepson in Owsley County. I now have 6 grandchildren who call Owsley County home. I want this county to improve for my children and grandchildren and for yours too. I owned and operated a business in the Lerose Community for over 30 years and have been retired for 3 years. If elected as Magistrate, that will be my full time job. I will be available to the residents of district 2 at all times. I welcome you to sit in the restaurant, call me at home, come visit with me or I'll come visit with you so you can share your opinions and ideas with me. I want to truly represent the people of District 2 in the Fiscal Court. I will work with the County Judge and other magistrates to do what is best for the county as a whole so Owsley County will be a better place for future generations.

THE CONTRACTIONS ARE STRONGER AND MORE FREQUENT

Christians all over the world are anticipating the second coming of Jesus Christ. Many are like a kid on Christmas Eve filled with excitement for the soon coming event, others, really only think of His return when it is brought to the forefront from time to time; still others; believe the return of Christ is so far distant in the future they don't give it a second thought.

Jesus gave us signs to watch for while looking for His return; He compared the signs to a woman having contractions and said those signs would increase in occurrence and intensity. There were seven events Christ told us to watch as they would gain strength and regularity as His return grows closer; the seven things are: false prophets, wars and rumors of wars, pestilences (plagues, disease), persecution of Christians, earthquakes, famines and "fearful sights and great signs . . . from heaven" (Matthew 24:3-12; Mark 13:3-9; Luke 21:7-12).

In addition to the teachings of Christ, the Bible tells us of other signs indicating His return is getting closer.

Knowledge and transportation are to increase (Daniel 12:4). No one can doubt that knowledge has increased in every area of life. Information on any subject can be found in a few minutes by typing the topic into a search engine; however, only 30 years ago the same thing would have taken hours and dozens of books in a library. As far as transportation goes, we are only 100 years removed from the invention of the airplane. Air travel, however, has only been commonplace since the 1950s. Satellite and internet technology is another sign of the end. Revelation 1:7 tells us, "every eye shall see him." This was impossible just a few years ago, but with the availability of the internet in the most remote of areas, this is no longer something we scratch our heads at and wonder how it could happen.

Closely related to the satellite and internet is the computer technology needed for the mark of the beast and the cashless, world currency that the Antichrist will establish (Revelation 13:16-17). Also, 2 Timothy 3:1-8 gives a long list of things that, in summery add up to a rampant increase in selfishness, immorality, hedonism and a general rejection of absolute truth.

Lastly, and maybe the most significant sign of all is the rebirth of Israel. God promised Israel He would bring them back to the land (Romans 9:25-28 and throughout many of the Old Testament prophetical books).

The fig tree throughout Scripture is a picture of Israel and Christ tells us of the parable of the fig tree as He explains the events before His return, "Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh: So likewise ye, when ye shall see all these things, know that it is near, even at the doors. Verily I say unto you, This generation shall not pass, till all these things be fulfilled."

Some of the generation that sees the fig tree blossom will still be here when Christ returns. There are different beliefs on when the fig tree blossomed, some believe it was May 14, 1948, the day Israel became a nation; while others believe it did not happen until Israel acquired Jerusalem on June 7, 1967. Whichever it is, it is safe to say the fig tree has already blossomed.

This leads to the question on what does Jesus mean when He says, "This generation." The Bible gives the definition of a generation within the history of Israel. God had taken the Hebrews out of Egypt and was guiding them to the Promised Land. When they arrived, Israel sent in spies, ten of the twelve spies believed if they attempted to go into the land they would all be killed by the people who already lived there. The ten persuaded the people not to go into the land. This made God furious and in the end, God proclaimed the only people besides the two faithful spies to enter the land would be everyone less than twenty years of age on the day the Jews refused to enter the land (Numbers 14).

Therefore, everyone who had seen their 20th birthday before the blossoming of the fig tree is part of the generation that "shall not pass, till all these things be fulfilled." Please don't waste time arguing if the fig tree blossomed in '48 or '67; either way the time is getting closer and the contractions are getting stronger.

Owsley County School District Exceeds Accountability Goal

The Owsley County Schools showed improvement in their percentile rankings and overall scores across the board with the release of the 2014 Unbridled Learning data on September 25.

The Owsley County School District achieved an overall score of 62.7—up from 55.6 last year—and an increase in percentile ranking from 32nd to 35th this past year. Owsley County High School continued its strong showing, going from a 64.2 in 2013 to a 69.4 in 2014. Ranking for Owsley County High School was at the 65th percentile. This score is just .7 of a point from making Owsley County High School Proficient for the 2014 school year!

Owsley County High School ranked 2nd out of 7 surrounding schools (Lee County, Perry County Central, Clay County, Breathitt County, Buckhorn, and Jackson County). OCHS principal Gary Cornett responded to this growth by saying, "It is truly a great accomplishment for Owsley County High School to be improving at this rate. I am very proud of the hard work and dedication that the staff and the students at OCHS were able to accomplish this past year. With an increased focus on rigor and academic success, both the students and staff were able to achieve goals that place us near the top in our regional schools and one of the stronger schools in the state of Kentucky."

Owsley County Middle School (grades 6-8) improved from 55.3 in overall score in 2013 to a 60.3 in overall score in the 2014 K-PREP. This was an increase from 24th in percentile rank to a 41st percentile rank. This growth improved the classification at the middle school level to Needs Improvement-Progressing, which means that the school met all goals set forth by the state.

Owsley County Elementary School also showed growth, increasing their overall score from 47.9 to 58.7 and their percentile rank from 5th to 27th. Like the middle school, OCES is classified as Needs Improvement-Progressing. "When we saw our assessment results from 2012, we knew we had to do more. I am proud to say that we have done better, but I believe that we need to do much better. We are pleased with the improvement we have seen so far, and that tells us that we are going in the right direction, but we must keep working hard, engaging students in meaningful learning activities, and utilizing resources to provide a quality education for our students," commented Owsley County Elementary School principal Alan Taylor.

Dr. Tim Bobrowski, Superintendent of the Owsley County Schools stated, "I am grateful for all three accountability groups (elementary, middle, and high) meeting their individual school goals from last year. Our students, teachers, and administrators work tirelessly every day to do what is best for students. We need to take time to reflect positively on our successful practices and continuously strive to improve within the schools and district. I would like to see all students be at the proficient level in math and reading in the next three years and increase our college and career readiness to be in the top 20 in the state by 2016. I want to encourage our students, parents, guardians, and caregivers to support our efforts to reach our goals for students and our schools."

MIDDLE SCHOOL BOYS BASKETBALL

Owsley County Elementary and Middle School boys' basketball teams played their first games of the season at Jackson City October 13th. The 5th grade team started the night by squeaking out a 13-10 win in the opening game. In the second game the 6th grade Owls won in orderly fashion coming away with a 16 point victory over the Tigers by a score of 50 -34. The nightcap game featured the 7/8 grade Owls who started the game slow but fought back to pull within 3 points before Jackson City claimed the 32-20 win.

The Owls continued their season the next week playing Wolfe County's 5/6 grade team in Booneville at Owsley County High School. The Owls lost on a last second shot to the Wolves 30-29. In the next game Wolfe County's MS team was seeking revenge as they suffered a 5 point loss to the Owls in Booneville last year. The Wolves would prevail defeating the Owls 42-30. Both squads would bounce back as the teams traveled to Buckhorn for Friday night basketball. The 5/6 grade got back on track with a 23 point win 43-20 and the MS boys would get their first win in fashion with a 17 point victory 41-24. The week would end with two wins in a panorama hosted by Sebastian Middle School in Jackson, KY. The 5th grade Owls and 6th grade Owls racked up wins over Marie Roberts pushing the 5th grade record to 3-0 and 6th grade record to 3-1.

Every Parent's Nightmare

Justice for Brayden: PART 2

With the arrest of their son's alleged abuser Jessica and Neal Young hoped they could focus their attention to caring for their gravely ill son, but their nightmare was far from over.....In part 2 Brayden's mother Jessica Young answers my questions about her experiences:

Q: Tell me about Brayden's condition after he made it through those first few days in ICU?

Jessica: "When Brayden awoke from the medicated coma it was as if he was a totally different child! The baby that was so happy all the time now had cried from the time he woke up until the time he went to sleep, regardless if he was awake an hour or just minutes! He had went from being well advanced for his age to being back at a newborn state; he could no longer hold his head up, he didn't know how to suck his bottle nor pacifier, he no longer could sit. He had no vision and he had lost function of his right side! He seemed so frightened, which anybody would be after losing their vision!"

Q: How was Brayden before he was abused?

Jessica: "Before this happened Bray was pretty advanced for his age. He was holding his own bottle, he was just about crawling, he would laugh out and smile all the time, he was just the happiest baby ever! He went from reaching above the 6 month milestones to literally being back at the newborn state! To this day (and) him 14 months old he still can't crawl, he has regained some function of his right side even though he doesn't use his right arm much at all, still no vision, he just last month started eating whole foods. He's just now starting to sit up on his own! He still can't stand independently.

Q: As his mother, having to see his pain and struggles, how do you cope?

Jessica: "We deal with it one day at a time... all we can do is hope that he will regain all his abilities back and his eye sight! We work with him on a daily basis to use his hand and to try to get him to where he can stand and so on!

Q: What scares you the most?

Jessica: "My greatest fear of all is that he may never regain vision, that he may not reach his milestones and most importantly I fear what the future holds for him and how difficult it will be!"

Q: What was your reaction when you were told Brayden's babysitter had been arrested for the abuse of your baby Brayden?

Jessica: "I was beyond furious! I was disgusted... How could she?"

Q: The accused abuser's bond was originally $100,000 cash or $200,000 properties. What were your thoughts when it was reduced to $20,000?

Jessica: "After hearing the bond had been reduced I was in total disbelief, I still to this day find it hard to believe! I'd be lying if I said I wasn't furious!!"

Q: Were you told why the bond was reduced?

Jessica: "The prosecutor just informed me that the bond had been changed, the special judge sitting in on this case lowered it a couple months ago. Her bond is now $20,000 cash only! It was reduced I was told because of her lack of a previous criminal record!"

Q. Has anyone from the courts ever asked you for any input or thoughts on the judicial process or bail for Hilary?

Jessica: "No, my husband nor I have been asked about a bail for Hillary!"

The nightmare ordeal is far from over for Brayden. He faces an uncertain future. No one can say if he will develop fully into a child with normal abilities. Perhaps scariest of all is that no one knows if he will ever see again or what long term effects he may yet suffer.

As for Jessica and Neal, they must wait to see to what extent their son recovers and what the courts deem as acceptable penance. While no punishment will stop the pain or return Brayden to normal, it is understandable to want closure and adequate punishment for his assailant. As of today Brayden remains blind, slow in his development and struggling to recover. Hilary Noble remains in jail, awaiting trial for the assault and abuse of Brayden. No date has

Sylvia HAVICUS

Owsley County School Board

District # 1

The Havicus Family

Dear Friends, Neighbors and Citizens of Owsley County,
As your candidate for School Board Member, I am humbly asking for your vote and your support on Election Day! It is with a spirit of servant leadership and pride that I am running for this position. Kids have always had a special place in my heart and I feel that I am well-qualified to serve as your School Board Member.
My husband Michael and I have two young daughters, Sophia (16 months) and Madelyn (1 month). Please accept my apology for not being able to personally visit with each of you in your home during the past few weeks. Madelyn arrived early, and time has not allow me to carry out my planned visits with all the wonderful folks in District # 1.

My career as an educator began in 2003 when I became a Site Coordinator for a 21st Century Afterschool Program. Since that time, I have served as a Family Resource Center Director, teacher and coach. My goal is and has always been to do "what's best for kids!"

I understand the difficult tasks and expectations that teachers and staff members are faced with each school day. And as all good parents, I too am concerned about the future and what it holds for my two daughters. I understand your desire to have what's best for your kids! And my mission is to have what's best for ALL kids!

It will be my duty, as your voice on the Owsley County School Board, to insure that your opinions and ideas are heard. You can rest assured that I will be a "New Voice", a calm voice of reason if you will, with "Strong Values" for the citizens of Owsley County and District #1. Integrity, honesty, commitment and a passion for kids are just a few of the strong values that will make me a valuable and dependable member of the Owsley County School Board.

As your Board Member, I will focus on student learning and support for teachers and staff. I will be a good steward of our tax dollars, making certain that they are used wisely and effectively. And I will support policies to keep our schools safe and drug-free.

I am committed to being involved in school and community events. It is through this involvement that I can have conversations with you to learn of your thoughts for growing our schools' success. I know that strong leadership is critical to advancing any organization. - My volunteer leadership experiences as Chairman of the Child Care Board, UNITE Secretary, and FRYSC Regional President have provided me opportunities to develop leadership skills that will help me be an effective School Board Member.
You must know that as a School Board Member, my decisions will be made with integrity. And I will use my experiences as an educator, my leadership and my honesty to WORK for YOU!
I hope that you will join with me and bring a "New Voice" with "Strong Values" to the Owsley County School Board with your VOTE and SUPPORT on Tuesday, November 4, 2014.
I would be honored to serve as your School Board Member for District 1! Thank you for your consideration!
With My Sincere Appreciation,
Sylvia Havicus

(continued from page 8)

been set for the trial. For Jessica and Neal, the waiting will continue.

Clearly, the thought of Brayden's accused abuser making bail is a major cause of hurt with the family. It seems strange that an accused violent offender would have bail reduced, especially when the victim is a 4 month old baby.

Donnie's Thoughts: I personally have no understanding as to what could possibly cause anyone to willfully injure a defenseless child. There is no reason that is acceptable or even tolerable. All I can say for sure is that this is a senseless and horrendous tragedy. No one is unharmed: Jessica and Neal Young are parents of a battered child, and will live their lives wondering why it happened. And could it have been prevented? Hilary Noble will face a long jail sentence for her crimes if convicted. Her freedom and soul forfeited for a moment of unexplainable cruelty. The parents of Hilary are forever destined to grieve for both their daughter and her child victim. And of course Brayden, an innocent child who should have had a normal life has been robbed of his childhood and his sight. He deserved better.

If anything positive can come from such a waste perhaps we can learn from this as a community. Please look for signs of potential child abuse and act if you suspect anything is happening. You or I may be the only chance the next innocent child has for help. ~ Kentucky Child or Adult Abuse Hotline: 1-800-752-6200 ~

EASTSIDE APARTMENT NEWS

by Ruby Callahan

Hello from Eastside! Looks like we may have some bad weather. The weatherman said there is a cold front pushing a lot of storms our way.

We all still need prayers for sickness. There have been several of my family sick. I have been sick for 2 weeks.

We had a good turn out at the Family Life Center for the auction. Fellowship, food, and singing for Earl Seales. Everyone that came had a good time and they enjoyed the auction. There were a lot of nice things to auction off. I hope every one of you enjoyed "What are seniors worth anyway?" in last week's article. I will add a funny story from time to time.

Bible Verse: I will praise thee, O Lord, with my whole heart; I will show forth all thy marvelous works. (Psalms 9:1)

Dear Friends and Neighbors,

I am running as your candidate for the District 3 seat of the Owsley County Board of Education and I humbly ask for your support and your vote on Election Day, Tuesday, November 4, 2014.

As a retired educator, my dedication and commitment to serving the Owsley County Schools encompasses more than 25 years of service. From an instructional assistant to high school science teacher, from assistant principal to principal and from coach to district-wide administrator, serving in all of these roles during my education career provides me with the knowledge and understanding to be an effective school board member.

School board members are responsible for governing the activities of their school district by setting policy and providing resources to help every students learn. The focus of every decision or action of the board should reflect commitment to improving student achievement in the district. As a School Board Member, I will use my leadership skills to make good decisions in the best interest of the Owsley County Schools.

I understand the challenges that are faced inside and outside of the classroom by our students and teachers. Children are the greatest resource and hope of any community and we must provide the teachers who are daily entrusted with their care the tools they need to their job 110%. We owe it to our students and teachers to make sure that they know they are valued, appreciated and supported. It is important to elect a candidate that understands policies and issues in order to represent the concerns of students, teachers and parents and a candidate that is willing to stand up for ethical beliefs by putting students first and politics last.

As a school board member, you can be assured that I will be a voice for our students, an ardent supporter of our teachers and a strong ally for our parents! Looking back over the years, I am especially grateful for the many wonderful teachers, coaches and principals who mentored me as a student and in so doing prepared me well for my future. My desire now is to simply "pay it forward" by investing in the next generation of young people so that they may have the confidence of a bright future as well. I hope that you will join me in this endeavor by casting your vote on November 4, 2014 for me, TERESA BARRETT

TOGETHER, WE CAN AND WILL BUILD A BRIGHTER FUTURE FOR OUR CHILDREN!

A VOICE FOR OUR Children and Our Schools

Friends,

It has been an honor to run for state representative in the 91st district. I wanted to share some information to let you know why I am qualified to be your next state representative.

I was lucky to receive a top-level education at Lees College and Berea College. I worked for Falcon Coal from 1974-1978. From 1979-1996 I had the honor and joy of coaching students and teaching at Lees College.

Since 1996 I have been a Dean and Student Ombudsman at Hazard Community and Technical College where I assist students in achieving their goals for higher education.

I currently reside with my wife Sandy in Jackson. I look forward to working and serving **ALL** areas of the 91st district.

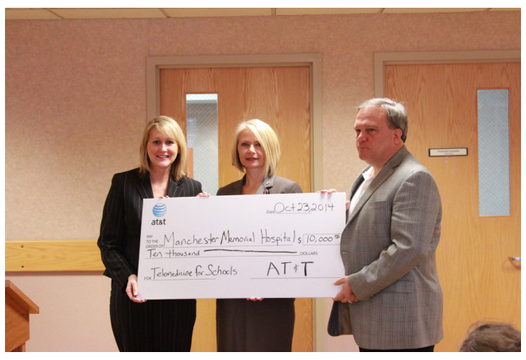
Manchester Memorial Hospital receives $10,000 contribution from AT&T



Manchester, Kentucky – October 23, 2014 – Erika Skula, Manchester Memorial Hospital's Chief Executive Officer, today announced that Manchester Memorial Hospital (MMH) will receive a contribution of $10,000 from AT&T to support telemedicine services in area schools, increasing access to primary and specialty care along with access to health education and prevention materials.

"Building a healthy community and bringing state of the art medical technology to rural hospitals in vital to our overall well-being in Eastern Kentucky," said Skula at the Manchester Memorial Hospital event. "By providing innovative health programs that reach rural students, we can assist them today, so they can lead productive lives and contribute to the future success of our Commonwealth."

"The overwhelming support from Senate President Stivers is why we are able to bring these programs to the community and positively impact the lives of students throughout the area," added Skula. "We look forward to building this program and seeing health benefits for years to come."

Providing telemedicine to local schools will increase availability to high quality health care to all students on a daily basis. It will improve the overall health and well-being for students in general, thus reducing absenteeism which in effect increases access to the educational programs in place. For students with chronic health problems such as diabetes, asthma etc., it will provide the added benefits of access to medical specialists to meet their unique healthcare needs without ever leaving the school/ community.

"At AT&T, investing in the communities we serve is a critical part of what we do," said Hood Harris, AT&T's Kentucky President. "With hundreds of employees and retirees in Eastern Kentucky, we want to support our friends and neighbors. The work performed by Manchester Memorial Hospital to help bring vital healthcare services to children is important to building a stronger Kentucky. We appreciate the chance to partner in this effort."

Gary "Toby" Herald
State Representative
91st District

I have really enjoyed my current term as State Representative. I have gotten to meet and talk with many of you, and your ideas and concerns keep me pushing forward. I will continue to support cutting taxes, developing and improving our roads, creating and keeping jobs in our communities, and to work with all parties to ensure the best solutions. I will continue to be a conservative voice for our district.

I appreciate all the support I have received, and I am asking for your continued support.

Thank you,
Toby

Proven Leadership Positive Values

Proven Leadership

During my terms on the board, I have worked TOGETHER to develop policies and procedures that have resulted in improvements for ALL.

- Expanded curricular and extracurricular offerings for students
- Award winning programs both at the state and national levels
- Expanded community involvement
- Modifying existing policies to meet the needs of today's students
- Created a fiscally sound district despite declining enrollment and decreased funding due to state and federal budget cuts
- Maintained an atmosphere of teamwork, transparency and openness
- Developed and maintained effective partnerships within our city, county and community

Positive Values

- Life-long resident of Owsley County
- Married to Daniel Gibson for 25 years and raising 6 children as a working parent
- Attend Indian Creek Presbyterian Church.
- Believe strongly in equal treatment and an advocate for ALL employees both classified and certified
- Listen to and work for the voters in my district for better schools for kids to learn in
- Am working for ALL students and staff

I am a graduate of Owsley County Schools. I have lived my whole life in Owsley County and am proud of my hometown. I am dedicated and a hard working woman whose passion is for improving Owsley County Schools which is positive and proven. I am the voice of my entire district. I am running for the right reason (improving educational opportunities for kids) and ask for your vote on November 4th!

AND BEING the same property conveyed to Lois Jean Slone by deed dated November 20, 2000, from Tony Turner and Virginia Turner, his wife, of record in Deed Book 75, at page 110, Office of the Owsley County Court Clerk.

Also included is a 2000 Clayton mobile home VIN# CLM074784TN

Subject to any and all applicable restrictive convents, existing easements, utility easement, right-of-way, provisions of applicable zoning statutes and ordinances, and rules and regulations of the Department of Health, if any. Also regulation that might apply thru planning & zoning.

The above described property shall be sold upon the following terms and conditions:

1.The purchaser shall take the sale real estate free and clear of the claims of the

parties to this action, but it shall be sold subject to the following:

a. current year (2014) ad valorem real estate taxes affecting the real estate for which the purchaser shall take no credit on the purchase price;

b. easements, restrictions, and stipulations of record;

c. any current assessments for public improvements levied against the

d. any matters which would be disclosed by an accurate survey or

inspection of the property.

e. Any right of redemption that may exist in favor of the Defendants.

2.The sale shall be made to the highest and best bidder or bidders. The successful bidder shall pay cash or make a deposit of twenty percent (20%) of the purchase price, with the balance on credit for thirty (30) days. Any purchaser, other than the Plaintiff, who does not pay cash in full, shall be required to execute a bond, with surety thereon acceptable to the Master Commissioner to secure the unpaid balance of the purchase price and sale bond shall bear interest at the rate of 12% per annum from the date of sale until paid, and shall have the same force and effect as a judgment and shall remain and be a lien on the property until paid. The purchasers shall have the privilege of paying all of the balance of the purchase price prior to the expiration of the thirty (30) day period.

3. The successful bidder at sale, at bidder's own expense, may carry fire and extended insurance coverage on the improvements from the date of sale until the purchase price is fully paid, in an amount at least sufficient to cover a loss to the extent of the court appraised value of the improvements on the real estate or the unpaid balance of the purchase price is fully paid, in the amount whichever is less, with the loss payable clause to the Master Commissioner. Failure of the purchaser to effect such insurance coverage shall not affect the validity of the sale or the purchaser's liability there under, but shall entitle, but not require, any party adjudicated an interest in the real estate, after giving notice to the Master Commissioner, to effect said insurance and furnish evidence of the policy to the Master Commissioner. The premium of the insurance policy shall then be charged to the purchaser as purchaser's cost.

Dear Friends and Neighbors:

I humbly ask for and do appreciate your vote and support for the office of Property Valuation Administrator. The PVA is responsible for appraising all property both real and personal. Please consider Mike Reynolds for your choice if you aren't already committed. This is an important office which requires hard work and dedication to fully serve your needs. If elected I promise to run this office to the absolute best of my ability. I will perform my duties with integrity and dedication. I am eager, well qualified, and prepared to serve you.

For those that don't know me, I would like to tell you a few things about me that you might not know as it relates to this job. I am a lifelong resident of Owsley County. I graduated near the top of my class in 1992. While in high school, I represented Owsley County High in Land Judging competitions for the FFA. After high school, I worked for a while with the USDA Natural Resources Conservation Service as a Soil Technician. With this job I had to identify farm boundaries and survey property among other things. I attended Eastern Kentucky University and graduated in the fall of 1999. I received a Bachelor of Science in Construction Technology with a Business Minor. I had two survey classes, which will help me identify where your property boundaries are located. I also had two estimating classes. I can accurately figure the cost associated with building any structure. This is an important calculation when figuring the value of your property. I also had two Real Estate Appraisal classes. We had to accurately appraise real property to pass these classes. After college I worked for several years for Joker Distributors. While there I had to perform office duties such as record keeping and tax preparation. I also dealt daily with customers and had to ensure their happiness with courtesy and politeness oftentimes working late to meet their needs. All these combined experiences have put me in the position to effectively serve as your PVA.

I am a family man who believes in God. Sonya and I have three children Austin, Ethan, and Sarah. This is a great job with benefits, insurance and retirement. I am trying to better myself for my family. I promise, if elected, to serve the public with honor and integrity. I will help the people of Owsley County any way that I can as the law allows me too. I will be available to answer questions day or night. If needed, I will make special arrangements for those who can't make it in during regular hours.

I appreciate all the support the community has given me in this race. Win or lose I would like to thank my opponent for running a good clean race. I have enjoyed getting talk to the citizens of this county. I apologize to those I haven't talked to yet. I am working hard to try get your house before Tuesday. For those who aren't already committed please consider me, Mike Reynolds as your choice for PVA. Thanks for your consideration….

CIRCUIT JUDGE
23RD DISTRICT

ELECT

I have one last chance to talk to you before the Nov 4 election. I have enjoyed so much campaigning the last few months, meeting new people and seeing old friends. I've loved the rallies, the festivals and the forums. It is an honor to have served Estill County as the County Attorney, then the 23rd Judicial Circuit as Commonwealth Attorney for the past 18 years.

My opponent has said this election is "too important to get it wrong" and I agree completely. We need someone with the local work experience, the love of the community and the right temperament to be the next Circuit Judge.

My husband Chris and I have lived in Estill County for 18 years. Together we have 4 children: Thomas, 29; Catherine, 25; Erin, 19; and Matthew, 14. We attend the Christian Church at Rice Station. I am a big supporter of children's sports and academic teams.

Since I am running for Circuit Judge, I am not allowed to make anyone specific promises. But I can say this: if elected, I promise to work diligently to make firm, fair and consistent decisions. I will always make it my goal to serve the people of the 23rd Judicial Circuit and to represent our community in the best way possible.

I respectfully ask for your vote on November 4. Thank you.

Cale Turner Candidate for Owsley County Judge Executive

My fellow citizens, I feel that the position of County Judge is very important to our community as it is to any other community. As citizens we need to study issues and accomplishments and make a decision as to who we want leading our community for the next four years.

Lets do a comparison of the past four years. As an unpaid volunteer, I feel that I have contributed a great deal to this community over this period of time.

As Chairman of Partnership Housing, I have given much time and effort to see that our people benefit from private, state and federal housing funding. Over the past four years we have seen many homes made safe and comfortable and many new energy efficient, affordable homes built. This not only benefitted the home owners but also the country in terms of the construction jobs, increased tax base and ensuing that our children grow up in a safe, comfortable environment. State wide and regional awards show that Partnership Housing is becoming a model for energy efficient homes.

I am Chairman of the Owsley County Drug awareness Coalition, an organization that works to see that young people who are seeking help get into drug treatment and that provides programming, funds, and staff time to work toward substance abuse prevention. This organization has tried to raise awareness of the problem and the need to take action against the problem of substance abuse through anti drug rallies and educational trainings.

I am President of the 53 members Booneville Lions Club, an organization that raises money and purchases glasses for any needy person in Owsley County. In addition to the glasses, we 53 members raise money through our annual dinners to do an annual Christmas party where we provide gifts for each resident of the Owsley County Nursing Home and we raise money to provide a scholarship to an Owsley County High School Student as well as to make an additional donation to the senior citizens. We also partnered with the Owsley County Action Team to build a covered shelter and picnic tables for the Senior Citizens Center. This project included the attractive landscaping around the building.

I have been a volunteer member of the Owsley County Action Team since the early 90's. As such I have stood ready to assist in any effort to improve our county including recently stepping outside my comfort zone and donating hundreds of hours to perform in the 2 Action Team plays Homesong I and Homesong II; Meet You in the Middle and the school play Christmas Comes to the Mountains. We have so often seen Owsley County pictured in such a bad light in the media that these plays were not only designed to provide entertainment but also to help restore pride in our community.

I have done numerous things, which have been a service to the citizens of Owsley. I have filled in to drive the Senior Citizens van when the regular driver could not drive. I have assisted with various church fundraisers. In all ways I have worked to be a contributing member of the community.

Think about this; in the past four years just what has **Judge DeBord** done as County Judge? Has he pulled ditches and maintained roads in a satisfactory manner? Has he maintained cemetery roads so that they are accessible for funerals and on Memorial Day? Has he maintained the garbage collection so that it runs smooth and billing is efficient? Has he maintained the park so that is a safe and clean place for recreation? Has he brought in the jobs that he promised to bring four years ago? Has he used his political friends to bring in grant funding to use in projects benefitting Owsley County? What has he done to improve Owsley County?

I feel that I have the qualifications to be your County Judge Executive. Some of these qualifications are:

Veteran U.S. Army
Graduate of Morehead State University
Department of Human Resources Supervisor
Adult Education Teacher
Former County Treasurer
Former Magistrate District 2
Certified Road Master and Certified Road Scholar
Past Chairman Kentucky River Area Development District (KRADD)
President Booneville Lions Club
Chairman Owsley County Anti Drug Coalition
Chairman Partnership Housing
Member Owsley County Action Team
Recipient 2014 Past Outstanding Leadership Award from Kentucky River Area Development District (KRADD)
Former County Judge

As a candidate for County Judge Executive, all I ask I that you compare my past accomplishments and my contributions to the community over the last four years to those of **Judge DeBord** and then make your decisions as to who you want leading the county for the next four years. Remember this is your county and your vote does make a difference! It is up to you the voter.

I will not make empty promises that I cannot keep. I will promise that if I am elected we will begin the process of improving our county roads the first month that I am in office. I will provide direction to our good county workers and see that equipment is maintained and in good condition so that the workers have the necessary tools to work with. We will build forty or more bridges during the four years. We will restore the county park and begin to develop and add recreational areas on the now vacant 22 acres that adjoin the developed park. We will get the garbage bill situation straightened out and we will see that the garbage trucks are repaired and maintained. We will begin to work to get the recreation center open. We will, with the landowners' permission, tear down and remove old dilapidated buildings and we will clean up garbage dumps and remove roadside litter. We will work with others toward community and economic development efforts. We will have an open door policy so that citizens may voice their needs and concerns.

Paid for by candidate for Owsley County Judge Executive Cale Turner.
